WHAT IS ARTJONES?

If you're jonesing for ART, come to Gulfport's ArtJones Studio Tour! That is the origin of the name and idea behind this artist-run collective, established in 2017. ArtJones is an annual event where Gulfport's professional arts community works together to open their studios to visitors and artist guests for one weekend. This year we have 23 artists in 9 studios and galleries. Ten of the 23 artists are new to the tour and new to YOU!

Each year, with the support of our sponsors Enroy Foundation and Kathy & Peter Forde, ArtJones champions artists in need. This year we are thrilled to welcome emerging artist Luisa Costa and creator/designer Melissa Rogolino into our fold. We are grateful to the Enroy Foundation and the Forde family for help in this regard.

ArtJones: Gulfport's Artist Studio Tour is an invitational event occurring annually during the first weekend of December.

We hope you enjoy ArtJones, 2025!

Our most sincere thanks to our Gulfport sponsors for their continued support.
